

# Invitation to the Mayors of Europe

Hello, I am Euralia and I am inviting all the Mayors of Europe to light a candle for Contact, Connection and Care in Celebration of Children's Rights Day 2011

Twinkle, twinkle, little flame,  
Now I see your hidden aim.  
On the world so broad and bright,  
mayors help your spreading light

*MixTalent Celebration  
with/by children in  
hospital, homebound  
and special education*

From the bed, the room, the yard  
sending round your candle art  
by the phone, the web, the mail  
speaking for your vivid mind

Twinkle, twinkle, little flame  
now enlightened is your aim

shining in a mayor's hand  
in the Town Halls of your land

**Please send a photo of your Celebration to WebCoach Greet:**
